epiphany

About Us

Epiphany Solution Inc is a technology company specializing in end-to-end equipment lifecycle management and Maintenance, Repair, and Operations (MRO) software solutions. Epiphany has pioneered Oracle NetSuite ERP integrations with its proprietary ConnectX platform, delivering measurable ROI improvements for clients in aerospace, medical equipment, energy, telecom, oil & gas, and construction. With nearly two decades of expertise, Epiphany is trusted to optimize mission readiness, reduce downtime, and increase asset value through scalable, compliance-ready solutions.

Differentiators

- Nearly 20 years exclusively in MRO & ERP optimization.
- First company to build formal Oracle NetSuite add-ons.
- Proprietary ConnectX and eService MRO platforms for full lifecycle visibility.
- Quantifiable client outcomes: 32% increase in utilization, 24% downtime reduction, 27% extended equipment lifetime, 18% ROI improvement.
- Cross-industry expertise spanning aerospace, medical, energy, telecom, and construction.
- Combination of software innovation, consulting, and implementation for holistic success.
